

Hossain Arfan

RION

UNDERGRADUATE STUDENT

As a student of Computer Science and Engineering (CSE) at North South University, I am also a part-time teacher at an educational institute, where I teach 4 of the major IGCSE subjects. My strong background in Mathematics and Science has allowed me to excel in both my studies and my teaching. In my free time, I enjoy playing games and traveling, which has given me a unique perspective on the world and helped me develop skills such as adaptability and problem-solving. Hustling my best to be the most successful person in life.
